PARENT PERMISSION FORM FOR PHOTOS AND/OR VIDEOS

During the course of the year at CHBC, students will be photographed and videotaped as a means of documentation. Occasionally, CHBC uses some of these photos and videos of a child or children for school-related purposes, such as school publicity, teacher training, or a slide show at a CHBC event. Children's House of Bucks County also maintains a website and numerous social media platforms (ex. Facebook, Instagram, YouTube) which provides information for prospective, as well as, current families. Photos of children engaged in school activities are a great way of conveying the true nature of our school, our philosophy, environment, daily activities, art materials, etc. **NO** child's name will **EVER** be used in conjunction with the photos or videos. A picture or video clip of your child will only be used for the aforementioned purposes if you sign the written release below.
